SEALER INSPECTION RIGID BY NEW LAWS

Gov. Tener Signs Two Bills Affecting Weights and Measures

CHANGES NUMEROUS

Many New Provisions Contained in Measure—Civil Service For Sealers

Governor Tener Thursday signed the Gerberich senate bills Nos. 10 and 11 regulating the appointment and compensation of sealers of weights and measures and definitely defining weights and measures of commodities and regulating the same. The No. 10 bill carries amendments to the Act of May 11, 1911. The No. 11 bill is a companion to the No. 10 measure. New amendments make the creating of the office mandatory; establishes tenure of office or civil service; fix a source of tolerance and variations; fix a minimum salary of \$1,000; allow two or more counties or municipalities to jointly establish inspection; allow sealers all expenses; direct the filing of monthly reports; prevent sealers doing clerical or other work for the county or city and change the appointing power in first class cities. These new laws were fathered by the Pennsylvania Association of Sealers Legislative committee, O. Evans Mikesell, secretary of Washington county and the Bureau of Standards of Pennsylvania James Sweeney, chief. They are designed to bring about a more rigid, vigilant and efficient inspection.

Section one of the Act of May 11, 1911 is amended to allow certain changes. The Act of 1911 reads that "the counties and several cities" may "appoint sealers," while the new law says, "the counties and cities of the second and third class shall appoint sealers." This change makes the appointing power in the only first class city, that of Philadelphia. Here the county and city government is co-extensive the only instance in the state. This change was necessary because Mayor Blankenburg refused to appoint sealers. The county commissioners have signified their intention to create the office. Section one of the new law fixes a minimum salary of \$1,000 per year except those counties having a population of 15,000 or less and allows sparsely populated counties and cities to jointly create the office. It also restrains sealers from doing clerical work or any other kind of work for the county or city. Where the old act simply reads expenses the new law covers transportation, hotel, livery, telephone, telegraph, posts and 11 contingent expense incurred by a sealer. This detailing of expenses was found necessary to overcome the penurious habits of some commissioners and mayors.

Another change which appears in section one of the new law is a departure from the old one but in keeping with the spirit of the present time. It is that of tenure of office or civil service for sealers. This portion of the section reads as follows: "The county and city sealers of weights and measures as appointed by the respective counties and cities shall hold their office during good behavior and shall not be removed, discharged or reduced in pay or position

except for inefficiency, incapacity, conduct unbecoming employees or other just causes and until the said officials shall have been furnished with written statements of the reason for such removal, discharge or reduction and shall have been given reasonable time to make written answer thereto. Nor shall such removal, discharge or reduction be made until the charge or charges shall have been examined into and found true in fact by the appointing power of such county or city at a hearing upon reasonable notice to the person charged at which time he may be represented by counsel and offer testimony or witnesses in his own behalf."

The change in section two of the old law makes it necessary for all sealers to report monthly to the state bureau of standards the number of tests made and the number of true and false devices found and all prosecutions. This amended section also provides that the chief of the bureau must arrange a system of tolerances and allowances for use in the state.

The penalties found in section three of the old law have been changed in the new as follows: The penalty for the first violation of the law has been changed from \$50 to \$25, for the second offense from \$200 to \$50 and for the third offense the penalty remains the same at \$100. The imprisonment clause of "30 to 90 days" has been changed to read "30 days" in default of fine and costs one day must be served in jail for every dollar involved.

SIGNS BILL FOR BALLOT

Governor Affixes Signature for Non-Partisan Election

Gov. John K. Tener Thursday signed the non-partisan ballot bill applying to all judges of courts of record and to mayors and councilmen of second-class cities. The bill was originally for cities and counties but in the form in which it was finally passed the county offices had been eliminated. The bill will affect the primary next September.

The bill provides that the mayor and members of council will run on the non-partisan ballot. The names of candidates who qualify for these offices will be printed on this single ballot, the voter thus being relieved from having to ask for any particular party ballot.

There will be separate party ballots for those who want to vote for candidates for district attorney, sheriff, coroner, or any county, borough, ward, township or school office for which a successor has to be chosen. Those ballots will be classed under the party names and the voter will ask, as usual, for the ballot that he prefers.

Non-partisan election in third-class cities were already provided in the Clark commission government bill. In Allegheny county the non-partisan bill will mean that two ballots will have to be used by each voter. One will be for county and the other will be for the city.

ARE PREPARING FOR RINGGOLD REUNION

Veterans to be Entertained This Year in Annual Meeting at Monessen—Committee Working on Plans

Great preparations will be made for the annual reunion this year of the surviving members of the old Ringgold battalion of Civil war fame. The honor of entertaining falls to Monessen and already the arrangement of details in connection with the event are in the hands of the executive committee of the Monessen Board of Trade.

The Sons of Veterans of this section will be requested to join in the plans for the reunion and take a prominent part in the program, leading the short parade that will be arranged. Other towns in this community have conducted this reunion from time to time but this is the first time Monessen has been chosen.

The date will be fixed and announced later, but it will be the third week of August on Wednesday or Thursday. As the old veterans are not good for a long parade, a short line of march

will be laid out and likely a camp fire will be held in the evening.

Along with the definite day and date in August will be announced further details in connection with the occasion. Ringgold battalion was nearly all enlisted from Washington county, just across the river from Monessen.

As other veterans of this war in Western Pennsylvania attend these reunions a large crowd of visitors is expected and preparations will be made accordingly.

A committee of the survivors consisting of Adam Wickerham of Monongahela, D. F. Bohanna of Hazard, J. M. Sutton of Monongahela and F. C. Buckingham of Washington county were in Monessen Tuesday to meet with the local people. These men will assist in making the arrangements.

COUNTY SELLS BRIDGE BONDS

The Mellon National bank of Pittsburgh was Thursday awarded the \$100,000 bond issue put out by Washington county to meet the county's share of the cost of the new bridge to be built over the Monongahela river at West Brownsville. This bridge carries traffic over the National road and its completion will doubtless mean a large increase in the number of tourists through Washington county.

The bonds went to the Mellon bank at 4 1-2 per cent free of tax. This bank had bid for the bonds at 4 3-4 per cent, tax free, but the county commissioners refused to sell at that figure. The bonds had been twice advertised. The deal yesterday netted \$2,500 above the bank's first offer. A premium of \$50 was paid. The contract for the substructure of the bridge was let two weeks ago.

FOUR PITTSBURG GIRLS IN ACCIDENT

Two young women from Pittsburgh were painfully injured about 7:30 o'clock Thursday evening when at a point near Monongahela they were thrown from a buggy in which they were driving. The horse they were driving took fright at a bull tied to a telephone pole at the roadside.

The injured are Miss Margaret Miller daughter of Mrs. Ed. Miller of Southside, Pittsburgh; right arm dislocated and ligaments in arm badly torn; suffering from shock.

Miss Luella Upperman of East End, Pittsburgh; bruised about the body; suffering from shock.

The two girls have been visiting at the home of their aunt, Mrs. George Miller, who lives on the Dry Run road. The girls took a horse belonging to the aunt and started out for a drive. They had reached Baidland, when the accident occurred.

Mrs. William Vance of Carmichaels is spending a few days with her parents, Mr. and Mrs. J. L. Reeves, of Fallowfield avenue.

POWELL WRONG SAY ATTORNEYS

The attorney general's department, replying to the contention raised by Auditor General A. W. Powell, says the departments of the state government have a right to the moneys for salaries and expenses accorded them in the general appropriations bill. The attorney general also says that the highway construction fund concerns an ordinary expense item and should be paid out of the appropriation.

Mr. Powell says he will consider the opinion and consult with the state treasurer before deciding on his course of action.

The auditor general was informed in the opinion which was given to him by Deputy Attorney General J. E. B. Cunningham, W. M. Hargest and William N. Trickle, that certain departments created by the legislature since the adoption of the constitution of 1878 are branches of the executive department of the state government and that the highway construction fund is an item of ordinary expense.

The opinion was in answer to a request by the auditor general as to whether he could legally make payment to these departments from the appropriations made in the general appropriation bill and in effect informs him that such payments would be legal.

FIRST OF PETITIONS HERE FOR CANDIDATES

Killed by a 90-Foot Fall

Structural Steel Worker Grabs for Wrench and Drops From Perch

Thomas Jones, aged 27 years, of Pittsburgh a structural steel worker employed at the new work being done at the blast furnaces of the Pittsburgh Steel company at Monessen was instantly killed this morning in a 90-foot fall from the ore bridge. Jones was working turning a bolt. His wrench slipped and in grasping for it, it is believed, lost his balance and went head first toward the ground. When picked up life was extinct. Jones was single. It is probable that his body will be shipped to Pittsburgh for the funeral to be held, and for interment to take place.

KILLED IN QUEER WAY

Woman is Thrown From Street Car and Fatally Injured

Mrs. Dora Keigley aged 50 years, of Washington met a peculiar death at the county seat Thursday night. Jumping to her feet on a rapidly moving car she fell to the street and was instantly killed.

The tragedy occurred in West Chestnut street, between Baird and Hart avenues. Seeing her danger when she rose, the conductor of the car shouted to Mrs. Keigley not to jump and started down the running board to save her. Before he could reach her side, however, the woman seemed to lose her footing and plunged off the car backwards. She alighted on the back of her head and death was instantaneous, her skull being fractured.

A daughter to whose home she was going when she met death, is suffering from injuries sustained recently when she stepped from a street car at Jefferson avenue. The daughter, Mrs. Howard Shewalter, stepped to a pile of ties, which gave way, causing her to fall and she was painfully hurt.

BAPTISTS GETTING READY FOR PICNIC

Committees in charge of the arrangements for the Monongahela valley outing of Baptist churches and Sunday schools will report on Sunday morning to the respective Sunday schools included in the group. The picnic will be held at Eldora park next Thursday, July 31. Members of each Sunday school will be taken to the park by special car. Each Sunday school will wear different colored ribbons as badges. There will be a sports program in the afternoon, and two speakers will make addresses.

Supply Sent by County Commissioners for Primary Work

FORM MUCH CHANGED

Old Fashioned Kind Will Not Do—Each Signer Must Give Date of Signature

Primary petitions for use by candidates for the primary election have been received by the Mail from the county commissioners. The new petitions, prepared under the new primary law contain a number of changes from the old petitions, and are more complete in every particular. They contain an affidavit, much the same as the former petitions it is stated, wherein the candidates make oath that all signers to their petitions are qualified electors.

A candidate has one thing to remember in particular in getting their petition ready. That is that it must be filed in the county commissioner's office 21 days before the primary. That means this fall that all petitions must be in by no later than August 26.

One thing the signer of each petition must remember, if he would not jeopardize the chances of any friend asking for office is that he can sign petitions for as many candidates for such office as he can vote for and no more.

It is necessary for the candidate to have stated in his petition his profession, business or occupation, his residence, and of course the office that he is running for.

Each signer of a petition must be of the same political faith as the candidate for whom he signs. It is not permitted that a petition be circulated without the consent of the candidate named. This formerly was possible.

The signature of the elector signing his place of residence, his occupation and the date of signing all must appear upon a petition.

The Mail supply of petitions will be available to prospective candidates until exhausted.

KING BAGGOTT TO APPEAR LAST TIME

What will probably be the last picture to be seen with King Baggott the noted motion picture actor appearing in a leading role will be shown at the Coyle Theatre Saturday night. The title will be "The Old Melody." King Baggott has been engaged by an English company and has left the Imp film company. Henceforth he will appear with the English company. The story "The Old Melody" is described as most charming, being woven around a violin. The picture is announced as a two-reel feature.

Homemade cakes, and pies, and ice cream and other delicacies may be had at the L. C. B. A. lawn fete on the Eagles' lawn on McKean avenue Saturday night. 10-12

Miss Dessie Blaker has returned home after visiting several weeks with her aunt, Mrs. William Vance of near Carmichaels.

THIRD CLASS CITIES.
“There is a disposition on the part of several boroughs in the state to take advantage of the new law permitting them to become third-class cities, with the commission form of government, the initiative and referendum, the non-partisan ballot and a few other frills” says the Uniontown Herald.” The requisite population is 10,000 or over. Upon the petition of one hundred citizens to the borough council it is compulsory on council to call an election to decide the issue; and if it carries the town becomes a third class city. There is a rush on the part of a number of boroughs to take advantage of the election this fall.

“Of the 39 boroughs in the state eligible, from the standpoint of population, to become third-class cities, Uniontown is one. But there is no apparent haste hereabout to try the experiment and it is just as well. Better wait and see how the new arrangement works. If it proves successful elsewhere, well and good; we can adopt the system at our leisure. If its operation permits as many evils to grow up as the present system does, there would be no virtue in a change.

“After all, it is not the system of government that counts for so much as the men we choose to administer it. Human ingenuity has not yet devised any form of government that will guard the citizens and taxpayers from official graft and thievery if the citizens aforesaid insist upon electing rogues to office.”

An old fellow who has more ability to remember weather for two scores of years back than he has for figuring predicts it ought to rain now about every day. Well the same old it is, and his prediction be so tremendously kind as to lapse into a state of innocuous desuetude.

COMMISSIONERS INSPECT BRIDGES

County commissioners John A. Berry and Thomas Hill were in the northwestern section of the county this week looking over some repair work done on bridges and some work that is now in progress. They were in the Avella, Burgettstown and Davinaton sections.

That part of the county was hard hit last summer by high water and the county lost hundreds of dollars in damage to and destruction of bridges. The keeping up of county bridges in this county is a big problem. County Commissioner Thomas Hill said this morning that this county has probably more county bridges than any other county in the state. There are between 600 and 700 county bridges. Complaints are coming in constantly as to needed repairs on this or that bridge.

ODD FELLOWS HOLD MEETING

Approximately 150 Odd Fellows from various parts of the county attended the quarterly meeting of the Past Grand Association, Washington county, held at Burgettstown Thursday evening. Robert H. Craig, John S. Crawford and Albert Carson represented Charleroi Order, No. 1030. The second degree was put on by the McDonald degree team and the work was very impressive. Avella will be the scene of the next meeting, the lodge there known as the “baby” lodge to entertain. A banquet of the Past Grand association will be held in November, and at the Avella meeting on October the place of the banquet will be decided. It will probably be Charleroi or Monongahela. Local Odd Fellows are endeavoring to have the affair held in Charleroi.

JOHN BRIGHTWELL DEAD AT MONESSED

John T. Brightwell, aged 58 years died at his home, Onelda street Monessen, Wednesday at 10:30 p. m. after a protracted illness of complications. Mr. Brightwell is survived by four daughters, Blanche, Catherine Mrs. William Woods, all of Monessen and Mrs. Bert Leonard of Waynesburg. Besides one brother W. D. Brightwell of Washington, he is survived by a sister, Mrs. Lida K. Finch of Fayette City. The funeral services were held at the home of the deceased Thursday evening and the interment took place this morning at Fayette City.

A Pittsburg judge decided that a coat does not make a gentleman. Yet he failed to offer evidence to show that clothes do make the man.

CROWDS VISIT

The German-American Doctors, 477 Donner Ave., Monessen

Never before in the history of Monessen have physicians come into such rapid prominence as have the German-American Doctors.

Their offices are crowded a great portion of the time with afflicted people anxious to accept their generous offer. Many patients were compelled to wait quite some before being able to consult the Doctors because of the great number of patients.

All through the day you could hear expressions of praise from people marveling at the successful treatment of Chronic, Nervous and Special Diseases.

As a great number of people in Monessen and surrounding towns who are anxious of taking advantage of the special offer, and were unable to call because of the rain the Doctors will hold their special office open until 9 o'clock Tuesday night July 29th.

Remember, if you call before 9 o'clock Tuesday night, July 29th.

Doctors will treat you free until cured (medicine and electricity excepted.)

SPECIAL NOTICE—To obtain the latest German-American treatment, come to The German-American Doctors as they are the specialists in the city who understand the application of their wonderful new treatment.

In making this offer the Doctors especially request those cases that have failed to find a cure in other treatments to consult them.

Office hours: 9 a. m. to 9 p. m. Daily and Sunday.

Special hours for ladies 1 to 5 p. m.

Men who cannot call during the day, call nights before 9 o'clock.

EJECTMENT SUIT FILED FOR TITLE

A suit in ejectment was filed in the Greene county court against W. Harry Brown, the Pittsburg coal operator, By Charles W. Weltner of Charleroi, Mamie Weltner, Pearl Weltner, Eunice Weltner and Mrs. Daisy W. Laidley of Pittsburg. The suit involves coal property of about 477 acres, in Monongahela township, Greene county, title to which is held by Brown. The plaintiffs claim that last January Brown purchased from J. V. Thompson of Uniontown a tract of coal land, about 1,700 acres in all, at \$1,000 per acre. It was alleged in the petition that 99 acres of this property Thompson did not own and therefore Brown does not possess legal title.

On January 10 last J. V. Thompson, when he was granted a divorce in the Fayette County Court made a settlement of \$1,000,000 on his wife. It was reported that in order to raise that amount Thompson sold the Monongahela township coal lands to Brown. The plaintiffs are heirs of the late Margaret Weltner of Pittsburg.

FORMER HIGH SCHOOL TEACHER IS WEDDED

Miss Agnes Wise of Butler, and Homer T. Gaut, Esq., of Monongahela were married Thursday afternoon at 3 o'clock at the Fort Pitt hotel, Pittsburg, the ceremony being performed by the Rev. W. F. McKee, pastor of the First Presbyterian church of Monongahela, assisted by Rev. R. L. Gaut of Spangler, a brother of the groom. The ceremony was witnessed by members of the immediate families of the bride and groom. Mr. and Mrs. Gaut left immediately after the ceremony for a two weeks' wedding tour, which will include Toronto, Montreal and other points in northeastern Canada. Upon their return to Monongahela they will go to housekeeping on Lincoln street. The bride is well-known in Monongahela, having been a teacher in the high school for some time, while the groom is a practicing attorney before the courts of this county, having formerly been principal of the high school.

Mr. Gaut was formerly a member of the Charleroi high school faculty and is well known here.

Freckle-Face

Sun and Wind Bring Out Ugly Spots. How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine--double strength from Piper Bros., and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

SEALER INSPECTION RIGID BY NEW LAWS

Gov. Tener Signs Two Bills Affecting Weights and Measures

CHANGES NUMEROUS

Many New Provisions Contained in Measure—Civil Service For Sealers

Governor Tener Thursday signed the Gerberich senate bills Nos. 10 and 11 regulating the appointment and compensation of sealers of weights and measures and definitely defining weights and measures of commodities and regulating the same. The No. 10 bill carries amendments to the Act of May 11, 1911. The No. 11 bill is a companion to the No. 10 measure. New amendments make the creating of the office mandatory; establishes tenure of office or civil service; fix a source of tolerance and variations; fix a minimum salary of \$1,000; allow two or more counties or municipalities to jointly establish inspection; allow sealers all expenses; direct the filing of monthly reports; prevent sealers doing clerical or other work for the county or city and change the appointing power in first class cities. These new laws were fathered by the Pennsylvania Association of Sealers. Legislative committee, O. Evans McKesell, secretary of Washington county and the Bureau of Standards of Pennsylvania. James Sweeney, chief. They are designed to bring about a more rigid, vigilant and efficient inspection.

Section one of the Act of May 11, 1911 is amended to allow certain changes. The Act of 1911 reads that "the counties and several cities" may "appoint sealers," while the new law says, "the counties and cities of the second and third class shall appoint sealers." This change makes the appointing power in the only first class city, that of Philadelphia. Here the county and city government is co-extensive the only instance in the state. This change was necessary because Mayor Blankenburg refused to appoint sealers. The county commissioners have signified their intention to create the office. Section one of the new law fixes a minimum salary of \$1,000 per year except those counties having a population of 15,000 or less and allows sparsely populated counties and cities to jointly create the office. It also restrains sealers from doing clerical work or any other kind of work for the county or city. Where the old act simply reads expenses the new law covers transportation, hotel, livery, telephone, telegraph, posts and 11 contingent expense incurred by a sealer. This detailing of expenses was found necessary to overcome the penurious habits of some commissioners and mayors.

Another change which appears in section one of the new law is a departure from the old one but in keeping with the spirit of the present time. It is that of tenure of office or civil service for sealers. This portion of the section reads as follows: "The county and city sealers of weights and measures as appointed by the respective counties and cities shall hold their office during good behavior and shall not be removed, discharged or reduced in pay or position

except for inefficiency, incapacity, conduct unbecoming employees or other just causes and until the said officials shall have been furnished with written statements of the reason for such removal, discharge or reduction and shall have been given reasonable time to make written answer there-to." The charge in section two of the old law makes it necessary for all sealers to report monthly to the state bureau of standards the number of tests made and the number of true and false devices found and all prosecutions. This amended section also provides that the chief of the bureau must arrange a system of tolerances and allowances for use in the state.

The penalties found in section three of the old law have been changed in the new as follows: The penalty for the first violator of the law has been changed from \$50 to \$25. In the second offense from \$200 to \$50 and for the third offense the penalty remains the same at \$100. The imprisonment clause of "30 to 90 days" has been changed to read "30 days." In default of fine and costs one day must be served in jail for every dollar involved.

SIGNS BILL FOR BALLOT

Governor Affixes Signature for Non-Partisan Election

Gov. John K. Tener Thursday signed the non-partisan ballot bill applying to all judges of courts of record and to mayors and councilmen of second-class cities. The bill was originally for cities and counties but in the form in which it was finally passed the county offices had been eliminated. The bill will affect the primary next September.

The bill provides that the mayor and members of council will run on the non-partisan ballot. The names of candidates who qualify for these offices will be printed on this single ballot, the voter thus being relieved from having to ask for any particular party ballot.

There will be separate party ballots for those who want to vote for candidates for district attorney, sheriff, coroner, or any county, borough, ward, township or school office for which a successor has to be chosen. Those ballots will be classed under the party names and the voter will ask, as usual, for the ballot that he prefers.

Non-partisan election in third-class cities were already provided in the Clark commission government bill.

In Allegheny county the non-partisan bill will mean that two ballots will have to be used by each voter. One will be for county and the other will be for the city.

ARE PREPARING FOR RINGGOLD REUNION

Veterans to be Entertained This Year in Annual Meeting at Monessen—Committee Working on Plans

Great preparations will be made for the annual reunion this year of the surviving members of the old Ringgold Battalion. The honor of entertaining falls to Monessen and already the arrangement of details in connection with the event are in the hands of the executive committee of the Monessen Board of Trade.

The Sons of Veterans of this section will be requested to join in the plans for the reunion and take a prominent part in the program, leading the short parade that will be arranged. Other towns in this community have conducted this reunion from time to time but this is the first time Monessen has been chosen.

The date will be fixed and announced later, but it will be the third week of August on Wednesday or Thursday. As the old veterans are not good for a long parade, a short line of march

will be laid out and likely a camp fire will be held in the evening.

At other veterans of this section Western Pennsylvania attend these reunions a large crowd of visitors is expected and preparations will be made accordingly.

A committee of the survivors consisting of Adam Wackernell of Monongahela, D. F. Bohanna of Hazard, J. M. Sutton of Monongahela, and F. C. Buckingham of Washington county were in Monessen Tuesday to meet with the local people. These men will assist in making the arrangements.

FIRST OF PETITIONS HERE FOR CANDIDATES

Killed by a 90-Foot Fall

Grabs for Wrench and Drops From Perch

Thomas Jones, aged 27 years, of Pittsburgh, was killed while employed at the new work being done on the bridge at the intersection of the Steel Company at Monessen was fatally killed this morning in a 90-foot fall from the ore bridge. Jones was working running a bolt. His wrench slipped and in grasping for it, it is believed, lost his balance and went head first toward the ground. When picked up life was extinct. Jones was single. It is probable that his body will be shipped to Pittsburgh for the funeral to be held, and for interment to take place.

Supply Sent by Co Commissioners Primary Work

FORM MUCH CHANCE

Old Fashioned Kind

Not Do—Each Signer Give Date of Signature

Primary petitions for use of candidates for the primary election have been received by the Mail from county commissioners. The regulations, prepared under the new law contain a number of changes from the old petitions and a complete in every particular. Each petition must contain an affidavit, much the same as the former petitions. It is where the candidates make out that all signers to their petition are qualified electors.

A candidate has one thing to remember in particular in getting his petition ready. That is that it be filed in the county commissioners' office 21 days before the primary. That means this fall that all petitions must be in by November 1st.

One thing the signer of a petition must remember. If he does not jeopardize the chances of a friend asking for office is that he sign petitions for as many candidates as he can vote for.

It is necessary for the candidate to state in his petition his residence, and of course the office he is running for.

Each signer of a petition must state the same political faith as the candidate for whom he signs. It is permitted that a petition be signed without the consent of the date named. This former rule is possible.

The signature of the elector must state in his petition his place of residence, his occupation and the date of signing all must appear upon a petition.

The Mail supply of petitions is available to prospective candidates till exhausted.

KING BAGGOTT TO APPEAR LAST TIME

What will probably be the last picture to be seen with King Baggott the noted motion picture actor appearing in a leading role shown at the Coyle Theatre day night. The title will be "The Old Melody." King Baggott has engaged by an English company has left the Imp film company. Forth he will appear with the E. company. The story "The Old Melody" is described as most charming woven around a violin. picture is announced as a two feature.

Homemade cakes, and pies, a cream and other delicacies will be had at the L. C. B. A. lawn at the Eagles' lawn on McKean a Saturday night.

Mrs. Dora Kingley has returned home after visiting several weeks with her aunt, Mrs. William Vance near Carmichaels.

COUNTY SELLS BRIDGE BONDS

The Mellon National bank of Pittsburgh was Thursday awarded the \$100,000 bond issue put out by Washington county to meet the county's share of the cost of the new bridge to be built over the Monongahela river at West Brownsville. This bridge carries traffic over the National road and its completion will doubtless mean a large increase in the number of tourists through Washington county.

The bonds went to the Mellon bank at 4 1/2 per cent free of tax. This bank had bid for the bonds at 4 3/4 per cent, tax free, but the county commissioners refused to sell at that figure. The bonds had been twice advertised. The deal yesterday netted \$2,500 above the bank's first offer. A premium of \$50 was paid. The contract for the substructure of the bridge was let two weeks ago.

FOUR PITTSBURG GIRLS IN ACCIDENT

Two young women from Pittsburgh were painfully injured about 7:30 o'clock Thursday evening when at a point near Monongahela they were thrown from a buggy in which they were driving. The horse they were driving took fright at a bull tied to a telephone pole at the roadside.

The injured are Miss Margaret Miller daughter of Mrs. Ed. Miller of Southside, Pittsburgh; right arm dislocated and ligaments in arm badly torn; suffering from shock.

Miss Luella Upperman of East End, Pittsburgh; bruised about the body; suffering from shock.

The two girls have been visiting at the home of their aunt, Mrs. George Miller, who lives on the Dry Run road. The girls took a horse belonging to the aunt and started out for a drive. They had reached Baidland, when the accident occurred.

Mrs. William Vance of Carmichaels is spending a few days with her parents, Mr. and Mrs. J. L. Reeves, of Fallowfield avenue.

POWELL WRONG SAY ATTORNEYS

The attorney general's department, replying to the contention raised by Auditor General A. W. Powell, says the departments of the state government have a right to the moneys for salaries and expenses accorded them in the general appropriations bill. The attorney general also says that the highway construction fund concerns an ordinary expense item and should be paid out of the appropriation.

Mr. Powell says he will consider the opinion and consult with the state treasurer before deciding on his course of action.

The auditor general was informed in the opinion which was given to him by Deputy Attorney General J. E. B. Cunningham. W. M. Hargest and William N. Trickle, that certain departments created by the legislature since the adoption of the constitution of 1878 are branches of the executive department of the state government and that the highway construction fund is an item of ordinary expense.

The opinion was in answer to a request by the auditor general as to whether he could legally make payment to these departments from the appropriations made in the general appropriation bill and in effect informs him that such payments would be legal.

KILLED IN QUEER WAY

Woman is Thrown From Street Car and Fatally Injured

Mrs. Dora Kingley aged 50 years, of Washington met a peculiar death at the county seat Thursday night. Jumping to her feet on a rapidly moving car she fell to the street and was instantly killed.

The tragedy occurred in West Chestnut street, between Baird and Hart avenues. Seeing her danger when she rose the conductor of the car shouted to Mrs. Kingley not to jump and started down the running board to save her. Before he could reach her side, however, the woman seemed to lose her footing and plunged off the car backwards. She alighted on the track of her head and death was instantaneous, her skull being fractured.

A daughter to whose home she was going when she met death, is suffering from injuries sustained recently when she stepped from a street car at Jefferson avenue. The daughter, Mrs. Howard Shewalter, stepped to a pile of ties, which gave way, causing her to fall and she was painfully hurt.

BAPTISTS GETTING READY FOR PICNIC

Committees in charge of the arrangements for the Monongahela valley outing of Baptist churches and Sunday schools will report on Sunday morning to the respective Sunday schools included in the group. The picnic will be held at Eldora park next Thursday, July 31. Members of each Sunday school will be taken to the park by special car. Each Sunday school will wear different colored ribbons as badges. There will be a sports program in the afternoon, and two speakers will make addresses.

THIRD CLASS CITIES.

"There is a disposition on the part
of several boroughs in the state to
take advantage of the new law per-
mitting them to become third-class
cities, with the commission form of
government, the initiative and refer-
endum, the non-partisan ballot and a
few other frills" says the Union and
Federalist. The requisite population is
5,000 or over. Upon the petition of
one hundred citizens to the borough
council it is compulsory on council to
call an election to decide the issue, and
it carries the town becomes a third-
class city. There is a rush on the
part of a number of boroughs to take
advantage of the election this fall.
'Of the 39 boroughs in the state, eligi-
ble, from the standpoint of popu-
lation, to become third-class cities,
Montgomery is one. But there is no
parent haste hereabout to try the
experiment and it is just as well.
After wait and see how the new ar-
rangement works. If it proves suc-
cessful elsewhere, well and good; we
will adopt the system at our leisure.
Its operation permits as many
to grow up as the present sys-
tem does, there would be no virtue
in a change.

'After all, it is not the system of
government that counts for so much as
men we choose to administer it.
Human ingenuity has not yet de-
vised any form of government that will
satisfy the citizens and taxpayers
and official graft and thievery if the
izens aforesaid insist upon elect-
ing rogues to office."

An old fellow who has more abil-
ity to remember weather for two
years of years back than he has for
telling predicts it ought to rain now

fellow and his prediction be so tre-
mendously kind as to lapse into a
state of innocuous desuetude.

BEECHAM'S PILLS

Manufactured by Beecham, Ltd., London, England

The Englishman was attending his
first ball game, relates an exchange.
He seemed very uneasy after the fifth
inning and finally said to his Ameri-
can friend:
"I don't like this tea, do you like
the tea?"
"They don't serve tea at a ball
game," laughed the American.
"No tea between innings!" gasped
the Englishman. "Then what's the
object of the blooming game?"

COMMISSIONERS INSPECT BRIDGES

County commissioners John A. Ber-
ry and Thomas Hill were in the north-
western section of the county this
week looking over some repair work
done on bridges and some work that
is now in progress. They were in the
Avella, Burgettstown and Bavington
sections.

That part of the county was hard
hit last summer by high water and
county lost hundreds of dollars in
damage to and destruction of bridges.
The keeping up of county bridges in
this county is a big problem. Coun-
ty Commissioner Thomas Hill said
this morning that this county has
probably more county bridges than
any other county in the state. There
are between 650 and 700 county
bridges. Complaints are coming in
constantly as to needed repairs on
this or that bridge.

ODD FELLOWS HOLD MEETING

Approximately 150 Odd Fellows
from various parts of the county at-
tended the quarterly meeting of the
Past Grand Association, Washing-
ton county, held at Burgettstown
Thursday evening. Robert H.
Craig, John S. Crawford and Albert
Carson represented Charleroi Or-
der, No. 1030. The second degree
was put on by the McDonald degree
team and the work was very impres-
sive. Avella will be the scene of the
next meeting, the lodge there known
as the "baby" lodge to entertain
a banquet of the Past Grand as-
sociation will be held in November,
and at the Avella meeting on Octo-
ber the place of the banquet will be de-
cided. It will probably be Charleroi or
Monongahela. Local Odd Fellows
are endeavoring to have the affair
held in Charleroi.

JOHN BRIGHTWELL DEAD AT MONESSED

John T. Brightwell, aged 58 years,
died at his home, Oneida street,
Monessen, Wednesday at 10:30 p. m.
after a protracted illness of complica-
tions. Mr. Brightwell is survived by
four daughters, Blanche, Catherine,
Mrs. William Woods, all of Mones-
sen and Mrs. Bert Leonard of Way-
nesburg. Besides one brother W.
D. Brightwell of Washington, he is
survived by a sister, Mrs. Lida K.
Finch of Fayette City. The fune-
ral services were held at the home of
the deceased Thursday evening and
the interment took place this morn-
ing at Fayette City.

A Pittsburgh judge decided that a
coat does not make a gentleman. Ye,
he failed to offer evidence to show
that clothes do make the man.

CROWDS VISIT

The German-American Doc-
tors, 477 Donner Ave.,
Monessen

Never before in the history of
Monessen have physicians come into
such rapid prominence as have the
German-American Doctors.
Their offices are crowded a great
portion of the time with afflicted peo-
ple anxious to accept their generous
offer. Many patients were compelled
to wait quite some before being able
to consult the Doctors because of the
great number of patients.

All through the day you could hear
expressions of praise from people
marveling at the successful treatment
of Chronic, Nervous and Special Dis-
eases.

As a great number of people in
this community are anxious of taking
advantage of the special offer, and were
unable to call because of the rain the
Doctors will hold their special offer
open until 9 o'clock Tuesday night July 29th.
Remember, if you call before
9 o'clock Tuesday night July 29th
Doctors will treat you free un-
der (medicine and electric treatment
accepted)

SPECIAL NOTICE—To obtain the
latest German-American treatment,
come to The German-American Doc-
tors as they are the specialists in the
city who understand the application
of their wonderful new treatment.

In making this offer the Doctors
specially request those cases that
have failed to find a cure in other
treatments to consult them.

Office hours: 9 a. m. to 9 p. m.
Daily and Sunday.

Special hours for ladies 1 to 5 p.
m.
Men who cannot call during the
day, call nights before 9 o'clock

EJECTMENT SUIT FILED FOR TITLE

A suit in ejectment was filed in the
Greene county court against W.
Harry Brown, the Pittsburgh coal op-
erator, by Charles W. Weltner of
Charleroi, Marie Weltner, Pearl
Weltner, Eunice Weltner and Mrs.
Daisy W. Laisley of Pittsburgh. The
suit involves coal property of about
477 acres, in Monongahela township,
Greene county, title to which is held
by Brown. The plaintiffs claim that
last January Brown purchased from
J. V. Thompson of Uniontown a tract
of coal land, about 1,700 acres in all,
at \$1,000 per acre. It was alleged in
the petition that 99 acres of this prop-
erty Thompson did not own and there-
fore Brown does not possess legal
title.

On January 10 last J. V. Thomp-
son, when he was granted a divorce
in the Fayette County Court made a
settlement of \$1,000,000 on his wife.
It was reported that in order to raise
that amount Thompson sold the Mon-
ongahela township coal lands to
Brown. The plaintiffs are heirs of
the late Margaret Weltner of Pitts-
burg.

FORMER HIGH SCHOOL TEACHER IS WEDDED

Miss Agnes Wise of Butler, and
Homer T. Gaut, Esq., of Monongahela,
were married Thursday afternoon at
3 o'clock at the Fort Pitt hotel,
Pittsburg, the ceremony being per-
formed by the Rev. W. F. McKee,
pastor of the First Presbyterian
church of Monongahela, assisted by
Rev. R. L. Gaut of Spangler, a
brother of the groom. The ceremony
was witnessed by members of the im-
mediate families of the bride and
groom. Mr. and Mrs. Gaut left im-
mediately after the ceremony for a
two weeks' wedding tour, which will
include Toronto, Montreal and other
points in northeastern Canada. Upon
their return to Monongahela they will
go to housekeeping on Lincoln street.
The bride is well-known in Mononga-
hela, having been a member of the
high school for some time, while the
groom is a practicing attorney before
the courts of this county, having for-
merly been principal of the high
school.
Mr. Gaut was formerly a member
of the Charleroi high school faculty
and is well known here.

Concerning Corsets

Here is an old story about the Corset
Drummer who said he was selling
"Jewell Corsets," but be that as it may,
Corsets are a very important part of
Modern Apparel.

For nearly 15 years we have offered
for sale the well known American
Beauty Corsets and that they
have given universal satisfaction is
proof of the thousands of Corsets
sold during that time to our
satisfied customers.

The LANCERS of
American Beauty
Corsets have kept
step with the march
of progress in pro-
ducing styles that
are beautiful and meet
the demands of con-
stantly changing
fashion.

Consider if you please the graceful lines
of our latest model
style 25 with the il-
lustration of one of
our best sellers 15
years ago. By the
way we might call
your attention to the
difference of cost in
producing the superb
model just received
and the old style of
15 years ago—More
material, four good
supporters, better
trimmed and yet the
cost has not advanced
one penny. A dollar
is all we ask for No.
25

We have also a
heavier corset on
the same model
recommended for
stout figures that
retails for \$2.00

Freckle-Face

Sun and Wind Bring Out Ugly Spots.
How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine--double strength from Piper Bros., and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

Notice.

The Fallowfield township school board will meet at Bank of Charleroi Charleroi, Pa., on Saturday July 26, at one o'clock to receive sealed bids for furnishing screened coal to eight school houses and at same time will receive bids for cleaning eight school houses and closets. Board reserves the right to reject any or all bids.

Notice to Contractors.

Sealed proposals will be received by the Charleroi School District until six o'clock, p. m. Tuesday, July 29, for remodeling the Ventilating system in Charleroi School buildings No. 1 and No. 3. A certified check for \$200 will be required to accompany each bid. Plans and specifications can be had from the secretary or from Joseph A. Langdon and Sons, Pittsburg, Pa., who prepared the plans and specifications.

The Board reserves the right to reject any or all bids.
